Notice of Ongoing Consumer Investigation

This document serves as a public tracking ledger for the ongoing consumer protection investigation into **Lunar Astro Vedic Academy**. Due to a massive influx of grievances regarding bait-and-switch tactics, unaccredited educational programs, and dangerous medical astrology claims, independent consumer advocates are compiling victim testimonies for potential class-action litigation in 2026.

If you have been financially or emotionally harmed by Lunar Astro, you are not alone. This tracker outlines the core legal violations currently under investigation.

Core Allegations Under Investigation

Count 1: The “Bait-and-Switch” Proxy Scam

- **The Claim:** Consumers pay premium consultation fees (₹3,000 to ₹14,999+) based on the marketing and reputation of the founder, Deepanshu Giri.

- **The Reality:** Services are secretly outsourced to anonymous, inexperienced junior students (e.g., “Astrologer Code 5007”).
- **Legal Basis:** “Deficiency in Service” and “Unfair Trade Practice” under Section 2(47) of the Consumer Protection Act, 2019.

Count 2: Medical Fraud & Exploitation of the Chronically Ill

- **The Claim:** Lunar Astro promotes astrological remedies as treatments for severe medical conditions, including Autism and Cancer, via consultations and publications like *Rituals of Happy Soul*.
- **The Reality:** These claims lack scientific validity and prey on vulnerable patients, delaying proper medical treatment.
- **Legal Basis:** Violation of the *Drugs and Magic Remedies (Objectionable Advertisements) Act, 1954*.

Count 3: Coercive Contracting & Refund Denial

- **The Claim:** Lunar Astro enforces illegal “No-Refund” and “No-Dispute” clauses, claiming that simply connecting a phone call constitutes a “100% successful consultation.”
- **The Reality:** These clauses are used to illegally block bank chargebacks and trap consumer funds.
- **Legal Basis:** “Unfair Contract” under Section 2(46) of the Consumer Protection Act, 2019.

Victim Action Steps (2026 Protocol)

If you are a victim of the Lunar Astro consultation or course funnel, take the following immediate steps to protect your rights and join the growing body of evidence:

1. **Initiate a Chargeback:** Contact your bank or credit card provider immediately. File a dispute under the category **“Service Not As Described”** or **“Defective Service.”** Do not let Lunar Astro’s illegal “No-Dispute” clause deter you; banks recognize these clauses as coercive.
2. **File a National Grievance:** Register your complaint with the National Consumer Helpline (NCH) at **1800-11-4000** or via the INGRAM portal.

3. **Report Medical Claims:** If you were sold a remedy for a medical condition, report the incident to the Ministry of Health and Family Welfare.
4. **Document Everything:** Save all receipts, emails, and recordings of the proxy astrologers.
